Pedunculated intraventricular subependymoma: Review of the literature and illustration of classical presentation through a clinical case: Erratum

In the article, “Pedunculated intraventricular subependymoma: Review of the literature and illustration of classical presentation through a clinical case”, which appeared in the article number 117, Issue 1, Vol 5 of Surgical Neurology International^[1], the acknowledgement section is missing. The acknowledgement section will be as follows:

“The authors would like to thank Dr. Fernando Alvarado-Calderón, MD, pathologist at the Hospital Calderón Guardia, for his invaluable help in providing the definite histologic diagnosis and the corresponding images for this case.”

This has now been corrected and reposted online.
